

BUGRS BULLETIN SPRING 2008

Welcome to the first issue of Buggs Bulletin the newsletter for the Suffolk Buggs VW Club. A different committee member will edit each issue and for this our first copy the honour falls to me (No pressure!). We want this newsletter to be for the members so your input is vital. At each meet there is the whiteboard, which you can use to jot ideas, or information you want to share so please add stuff you want included in the newsletter, or alternatively you can email

bugrswebsite@ntlworld.com.

Well here we are 2008 another year of shows and hopefully sunshine to enjoy in your dub, to help you do this we are including a copy of our show calendar, which includes the shows where club camping will be arranged. We also we have a round up of the highlights of 2007 to get us in the mood and to help remind us all why joining the club is a must to be a part of something really exciting.

So enjoy the newsletter and don't forget we are still meeting 2nd Sunday of every month at Needham Lakes so we hope to see you all there.

2007 A Year to Remember

The year started with Na and Andrew making the brave decision to ask for membership to grow the club, this had been done after much consultation, the first big meet is was launched lots of existing followers happily paid up their £10 and the ball started rolling....

Big Bang- This was the first club camp of the year; about 20 members came along and enjoyed the party. The weather was fine and the club started to generate attention especially when they beat the dub pirates in the final of the bug push. Neeks was rightly proud as beautiful Roxie cruised down the strip powered by sweaty men.

The summer started well with a fantastic club camp at Waxham Sands, this was a wonderful weekend of sunshine on the beach. Na organised some fun things for the little buggs and quizmaster Al entertained everyone with the Big Quiz. Despite the skull duggery and cheating the best team won, and shared their chocolate spoils.

Then came the rain, and it stayed... The buggs decided to opt for Peppercorn and not Bug Jam, this proved to be a good move as "Bog Jam" was a huge puddle, although it rained at Peppercorn it held off for most of the weekend and despite some slipping and sliding on the exit everyone made it in and out.

The sun made a re-appearance for VW Action, and the club had a huge turnout and invaded the club camping area. There was expectation on our minds as we fought to hold the bug push trophy, receiving the award from fellow club member Kev Goldsmith was a proud moment. The whole club entered into the fancy dress vibe, some people created more of a stir than others (Matt Clegg the adult film star, need we say more and Princess Jasmine and Aladdin in there skimpy outfits.) It was a blinding weekend and a huge high point in the year.

BUGRS BULLETIN SPRING 2008 cont.

October 2007 was a record meet and saw our membership tip the 70 mark, it was a fantastic morning and as photos show had an amazing range of dubs on show from the second oldest barn door in the UK to brand new T5's.

We finished the year off with a triple whammy, firstly we had the auto jumble, this was the first we organised and although the venue will be changed for future meets, the turnout was good and feedback given was positive for future jumbles. We then had the calendar launched, sadly these are all sold out but Andrew will be snapping away through the year to produce a 2009 calendar for the club so watch this space and if you have any amazing pictures of a dub you would like considered please let Andrew or Na know.

The year ended with the Xmas Party. We had this at Copdock Village Hall which was a superb venue, the food was incredible (It certainly helps having great professional caterers in your club!) and we had a raffle, face painting, guess the weight of the cake and lucky dip as well as a disco for all the kids to slide on their knees and mums and dads to embarrass the whole family. It was a really good end to a fantastic year, so lets all make sure 2008 is even better.
