

Hey hey Bugrs!!

With Christmas still a fleeting memory it's hard to comprehend that spring is here already.

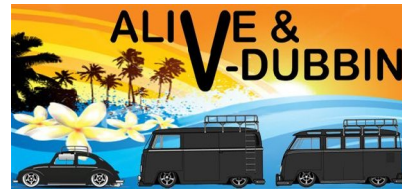

Traditionally this is the time of year where we all do those little jobs on our VW's that we've been putting off ready for the new season. Mind you some of our 'little jobs' are a bit larger and more costly than originally budgeted for.

It has however, been great to see many of our members braving the sometimes snowy and salty conditions to provide a great turnout to our monthly club meets at our new home on the Mid Suffolk Showground.

February saw the first official VW show of the year (Dub Freeze) take place and we were lucky enough to have a club stand present enabling us to pass on club and Alive and Dubbin info to the masses. A massive thank you goes out to those club members that helped staff the stand.

With March came the first of this years Auto jumbles and its great to see that time after time it keeps getting bigger and better, always a great sight seeing lots of happy people walking off with their new purchases. Refreshments for the event came in the form of bacon rolls, homemade cakes and hot drinks, and judging by the steady queues of people throughout the meet they proved to be rather popular.

Alive and V-Dubbin '09

June is only just round the corner (scary!!) and Alive & V-Dubbin Volkswagen show is nearly upon us. **Remember** keep the 12th – 14th June free in your diaries and be part of something special!

Tickets are on sale now, so why not get yours sooner rather than later to avoid disappointment.

You can print a camping booking form off from the show link on www.suffolkbugrs.co.uk

Whilst we are on the subject of the show, this is a plea for any spare craft supplies (Foil, milk bottle tops, yoghurt pots, beads, washing tablet boxes, buttons, string and paint etc.) that you might have laying around. These are needed for the various kiddies' activities that will be taking place all weekend. Anything will be greatly appreciated, please bag it up and hand to one of the committee members at the monthly meets.

Don't forget to visit the club website www.suffolkbugrs.co.uk; it details all meets, events, shows, discounts, items for sale, wanted ads, club clothing and member's rides. Coming soon to the website will be 'Dub Doc', You can e-mail vw related problems and questions, with your contact e-mail. We will be put it on Dub Doc and hopefully someone will help you out.

And finally, Remember, 2nd Sunday of the month we meet at Stonham Barns (Mid Suffolk Showground) IP14 6AT off the A140 from 11am onwards,

Look forward to seeing you all there.

Thank you.

MINI BUGRS BIRTHDAYS

Happy Birthday to all our mini v-dub lovers!
