Waxham summer club camp 2009

Well what an awesome turnout!!! On the previous 2 summer club camps we had had about 12 vehicles. This year we had about 35 vehicles roll up for a fun packed weekend. There was plenty for us all to do, games for the children and adults included hoopla, swing ball, Tug of war, space hoppers, and plenty more. The children entered a colouring competition and watched a film on the Saturday afternoon while the ready steady cook contestants got busy creating their culinary masterpieces in 40 minutes.

The weather was kind to us after a bit of a torrential downpour on the Friday which meant that the popular sand art took place on the Saturday, creations like fantasy castles, flowers, boats, starfish, crab, shells, vw inspired art and the later entry of a somewhat female octopus!!!

The quiz night took place outside around a roaring camp fire, followed by the release of loads of sky lanterns (naughty, naughty)!!

Octobers Autojumble

Well the day started off a bit grey but in true Bugrs style we all slowly but surely arrived and what a turnout! With Andrew doing bacon butties from the Chilli gone Barmy van and lots of pitches taken by sellers and plenty of buyers coming and going. Raffle tickets were selling really well, remember all the profit made from the raffle is put straight back into the club by way of more raffle prizes and running events such as the club camps and the yearly Christmas party. Without this income these things wouldn't happen so thank you for your continued support. We had great prizes for the raffle some of which were donated by members, please remember that if you have anything at home that is new and unused and you would like to donate it then just bring it along to a meet- Thank you

We had Christmas party tickets on sale and these have started to sell already and can be purchased anytime from Andrew & Naomi, they will also be available to buy at the November meet. Also our spanking new limited edition 2010 Suffolk Bugrs calendar, £10- ITS AWESOME! We hope you like it and will purchase one to adorn your wall! Big thanks to Jim and Barbara for helping at the autojumble and joining the committee team.

Christmas Party time is coming-

Hope you all already have this on your calendar. Tickets are available to buy anytime from Andrew and Naomi and will also be available at the Novembers meet. The ticket will be a family ticket and your ticket will act as a raffle ticket upon entry. Further raffle tickets will be available on the evening if you're feeling lucky!

Can everyone please get the flu jab prior to the party as we would like as many members to attend as possible!!

The menu is full of scrumptious hearty food which will just add to the great night we have planned for you all. This will be the last get together before Christmas and would be amazing if you can all make it.

Reflection

Already Alive & V-Dubbin 09 seems a distant memory and plans are underway for the Alive & V-Dubbin 2010. Who would believe that for our very first show we had such amazing weather and an even more amazing turnout! We are all really looking forward to June already to improve on what we learnt from last year and make it a show to remember. An even bigger thankyou to Naomi and Andrew for a brilliant year with Suffolk Buggs and well done with the show, you did it!!

News

- A big thankyou to Theresa Clegg who has been making the mini Buggs birthday cards for the past year. Emma and All Murley and Paul Lewis and Laura Vince for all their help on the club committee. Paul & Laura are expecting a little Bugar (a Suffolk One). They will all be standing down.
- Watch out for 2010 dates list. We are putting it together as we speak. There will be a new 1 week club holiday in the Isle of Wight. So watch out for details coming soon.
