

BUGRS BULLETIN SUMMER 2008

Welcome to the summer edition of Bugs bulletin the newsletter for the Suffolk Bugs VW Club.

The task has been bestowed upon us as the next committee members in line to edit this edition which we hope gives you all the info you need to help you enjoy v dubbin through the summer!

As always, just want to remind everyone that this is a club newsletter so anything you want to add, share, sell, buy etc let us know by either jotting details on to the whiteboard at our monthly meets or emailing us at

bugrsworld@ntlworld.com

Just a reminder for those who haven't renewed their membership yet this year you can do so by completing a membership form which are available at all meets (still 2nd Sunday of every month) and handing back to Milly (Boogie Wondermama) We wouldn't want anyone missing out on all the fantastic discounts the club now has to offer and not being part of Suffolks number 1 VW club!!

So Let's crack on with the newsletter, already loads to tell you about with more great things to come.....

Al & Em

BREAKING NEWS

Friday 12th – Sunday 14th June 2009 Suffolk Bugs are proud to present

Alive & Dubbin

Na & Andrew have been thinking for some years of hosting a vw show all of our own. With the club growing so big and loads of support and fantastic feedback from club members they have decided to bite the bullet and give it a go.

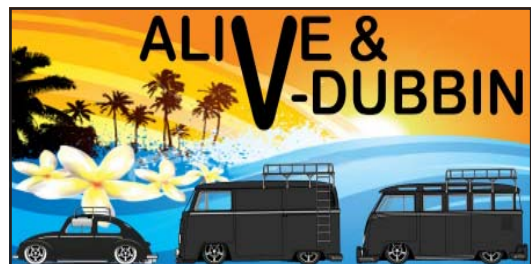

The first VW show 09 committee meeting took place in May and was a fantastic success.

Mid Suffok Showground, Stonham Barns has now been booked and it's all systems go to produce a show that we can all be proud to be a part of.

This is the bit where we need everyone's help. If you know of any companies willing to sponsor the

event or a part of it can you let us know as funding is vital.

Do you know any traders, caterers, stall holders etc who would be interested in having a pitch at the show?

BUGRS BULLETIN SUMMER 2008 cont.

The Year so Far....

We held the first Auto Jumble of the year in April at Toad Hall. A great turn out with plenty of people buying and selling. As a result of this another is planned for October at the same venue. Further details to follow.

We kicked off the Club Camps with Big Bang at Santa Pod back in April. Unfortunately we didn't go so know bugger all about what happened and we haven't got into this researching journalism lark and we're too honest to make something up. If you really want to know it was like we suggest you find out who went and ask them!!

However, we did go to Battlesbridge in May and can confirm that despite the rain all day Saturday a good number of club members braved the elements and held out until the sun came on

Sunday along with loads of fantastic vehicles on show.

May also saw the first convoy of 2008 to Felixstowe in which over 60 vehicles cruised along the A14 from Needham Lakes. Helped by the fantastic weather fun was had by all.
