

Welcome to the Winter newsletter.

Happy New Year to all you Buggers out there - we hope that you all had a good season & for those who came to the Christmas party, recovered ok! Thanks to all those who came, & mucked in....we really do hope you enjoyed it - I think the chocolate dip was certainly a hit! The Gorgeous Christmas cake - Santa in his sleigh being pulled by 3 camper vans was won by Mike & Jane Woodhouse. Well done for guessing the weight.

More photos of the Christmas party can be found on the club website – www.suffolkbugrs.co.uk

The last quarter of the year was a busy one after the VW launch of the new Scirocco at Volkswagen Wolvey in Ipswich supported by us as a club in return for their support of Alive & V-Dubbin.

We held our second autojumble of 2008 at Toad Hall at Octobers meet. It was a great success and we are holding two more in 2009. Club dates overleaf. So don't chuck away anything that you think is rubbish - it could be someone else's treasure.

2009 Promises to be just as busy...2009 club dates are overleaf - We have booked the club field at Waxham Sands in Norfolk for July. A lot of hard work goes into planning, preparing and organising a great weekend. There is a write up about 2008's Waxham camp in the Autumn newsletter. Please make sure you book the date in your diaries and support the club by attending. Its such great fun and a great opportunity to get to know people a bit better.

The show committee is hard at work planning and organising Alive & V-Dubbin 09, as we get closer to June. It's only 5 months to go!!!!!!!!!!!!

Don't forget the club website, it details all meets, events, shows, discounts, items for sale & members rides which we really want you to be a part of.
